Los Angeles, CA 90017

RE: Notice

Dear Gary,

The proposed spur will cross over Merced Irrigation District's primary trench as noted on sketch. Approve depth 32". Please coordinate construction with Merced Irrigation District's Distribution Planner, Jay Hoag. He can be reached at The District Headquarters at 209-722-5761.

Thank you.

Steven C. Dunn  
Engineering/Operations Manager  
Merced Irrigation District
